Welcome New Patient!

Please complete the enclosed registration form, health questionnaire and privacy practices form and bring them with you to your first appointment. In addition, the following items will be needed:

- ✓ List of ALL current medications
- ✓ Insurance card(s)
- ✓ Driver's License or picture ID
- ✓ Referral form (if required by your insurance company)
- ✓ Method of payment (we accept cash, check, Visa or MasterCard)

Prior to your appointment, our medical records department will be calling your primary and referring doctors to secure past medical records. These are needed for continuity of care. In some cases, your primary physician may require a signed authorization for use or disclosure of protected health information (medical release form) and one has been included for your convenience. Please sign and forward this form to your primary doctor. You may make copies, if needed, for additional requests from other healthcare providers. We appreciate your cooperation in requesting these records.

Our staff will be happy to accommodate your needs, but we ask that you please help us by alerting the front desk staff to any changes with your insurance, address or phone numbers.

If you have any questions, please do not hesitate to call before your appointment. We look forward to participating in your medical care.
